

## Clean Water Act Section 404 Regulatory Training Course Registration

Sponsored by the Wetlands Division of USEPA's Office of Wetlands, Oceans, and Watersheds, in coordination with EPA's Region 6 Office, the Clean Water Act Section 404 Training Course will be held October 23-26, 2007 in New Orleans, Louisiana. This course provides an introductory overview of the 404 program and training in the application of the 404(b)(1) guidelines, as well as covering topics related to the 404 permitting program, such as the jurisdictional scope of Section 404, the Nationwide Permit Program, compensatory mitigation, and elevated case procedures.

There is no registration fee associated with this training. If you would like to take part in this training program\*, please fill out the information below and return to Christopher Hunter via email, [hunter.christopher@epa.gov](mailto:hunter.christopher@epa.gov) or by fax (202) 566-1349 by September 22, 2007.

\*This program is intended for EPA staff and other federal government officials involved in Clean Water Act, Section 404 activities. Priority will be given to these employees prior to the September 28 deadline. Following the deadline, registration forms from State, local and tribal officials will be accommodated in the order in which they were received.
